with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 and 173 of any patent granted on the second application, as shortened by any terminal disclaimer filed prior to the patent grant, in the event that any such granted patent: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

The undersigned (whose title is supplied below) represents that she is a representative empowered to act on behalf of the owner.

The owner states that it is the assignee of the entire right, title, and interest in the instant application by virtue of an Assignment from the inventor(s) of the instant application to Sun Microsystems, Inc.. The assignment was recorded in the Patent and Trademark Office at Reel/Frame 011803/0929. The owner states that it is the assignee of the entire right, title, and interest in the pending second application by virtue of an Assignment from the inventor(s) of the pending second application to Sun Microsystems, Inc.. The assignment of the pending second application was recorded in the Patent and Trademark Office at Reel/Frame 011805/0939.

I hereby declares that all statements made herein on my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the
